CUSTOM SINK LEG SOLUTIONS

Palmer Wall Display  
26.5" wide x 34.75" high

## DEALER WALL DISPLAY

The Palmer Wall Display consists of five single legs in a variety of styles and finishes. Each leg is easily removed, allowing your client a hands-on review of our high-quality construction, fit, and finish.

This display introduces an often overlooked category of product in your showroom... specifically Custom Sink Legs, in any style, configuration, and finish.
