

# CARTHAGE

3" Kitchen Leg System  
for Islands, Peninsulas, Counters, & Bars

**PALMER INDUSTRIES**  
CUSTOM ARCHITECTURAL METALWORK

Palmer is a Boutique Designer & Manufacturer  
of Custom Architectural Metalwork

These imposing 3-inch diameter kitchen legs combined  
with your base cabinets and countertop materials will  
make an impressive statement in your kitchen or bar.

Palmer can design and fabricate support leg systems  
and coordinated bistro shelving to complete your kitchen  
design inspiration.
