## At Palmer, Custom Sizing is not "Custom"...

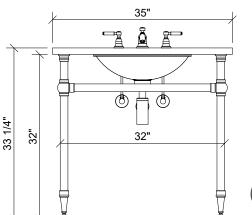

Each and every leg system is built to order...

one at a time...

to your exact size

One artisan... One leg system... One individual "work of art"

Because Palmer hand builds ALL leg systems to order, we can easily adjust the width, depth, and finished height to suit your customer's exact needs for a modest additional cost.

Give us your counter dimensions and we'll deliver an exact fit.

PalmerIndustries.com

From your inspiration to the final polishing touch, Palmer's dedicated team of engineers and artisans can take your project from conception to completion.

Provide us with your simple sketch, magazine clipping, or concept images from social media, and Palmer will quickly propose a solution to accommodate your design intent.

Palmer specializes in meeting your custom design needs:

## The Classic Collection

TAPERED FOOT

The Tapered Foot console, with its classic foot detail and distinctive ball corner joints, remains Palmer's most popular style.

The crisply machined decorative collars, positioned below the corner joints and used as feet, define the Decorative Collar style.

# THE LIVING FINISHES...

AGING WITH BEAUTY, GRACE, AND A RICH PATINA

The living finishes offer an ever-changing patina, as their tone and luster will gracefully age with time and unique environmental conditions.

These hand-crafted artisanal finishes are subject to variations in lightness and color tone.

# THE PVD FINISHES...

Durable, Colorful, AND TARNISH-FREE FINISHING TECHNOLOGY

Our premium PVD finishes (Physical Vapor Deposition) incorporate a coating of specialized metal that provides a durable, tarnish-free, and lasting color tone.

# Palmer Industries Policies & Procedures

Purchasing Policy: Palmer is sold only through authorized Palmer distributors (dealer display requirements apply). Possession of this catalog does not constitute an authorization to sell Palmer products. Dealer

discount is based on displays, timely payments, and sales volume. Dealers must maintain display

2. <u>Terms:</u> Net 30 days upon established credit approval. Payment by business check or ACH via our website

processing fees. The dealer is responsible for ensuring payments are properly made and received.

**Delivery and Freight:** Palmer reserves the right to select the final carrier of any shipment. Palmer ships

via UPS with our own account (freight prepaid), and will invoice the dealer for all shipping costs, without exception. We do not ship using a dealer's UPS account, or any other shipping method. Each leg system

is packaged individually, regardless of total order quantity (unless otherwise specified on high-volume

packaging, boxing, standard ground UPS shipping costs, and insurance. There is no pickup available.

projects). A delivery charge will be assessed to each leg system, and shall consist of the total of all

5. <u>Claims and Returns:</u> Any claims for damages, shortages, and incorrect merchandise must be reported

to Palmer within 10 days of delivery. Please confirm all washstand specifications and dimensions prior to

All Palmer products are fabricated to order, and as such, are NON-RETURNABLE and NON-CANCELABLE

under any conditions. Palmer Drawing and Design fees are NON-CANCELABLE and NON-REFUNDABLE.

Any orders that cannot be shipped within 30 days from completion may be considered abandoned.

# Palmer with China Sinks

- Internet Selling Policy: Palmer does not allow the selling of our products via the Internet. Palmer products are to be marketed and sold within the dealer's service area only. If Palmer products are presented on a dealer's website, images and associated copy used must satisfy our specific guidelines. Palmer must be contacted for approval prior to any images or information being posted on a dealer's website.
- M.A.P. Policy: Advertised prices of products may not appear at a discount of greater than twenty-five percent (25%) below Palmer's current retail price. For repeated violations, Palmer may suspend or terminate the Reseller's authorization to sell Palmer products. It is our view that the advertising of steep price discounts devalues our products, brand, and dealers.
- **Rush Service:** Palmer offers an expedited production service to our dealers, at an additional charge. This charge will be assessed upon evaluation of the order complexity, customization, quantity, options, and finish. Rush service and charges must be indicated on the dealer's purchase order, and a Palmer Order Form, with the Rush option selected, must be submitted with the order. Expedited shipping is also available at an additional fee on request.
- <u>Drawing/Design Services:</u> Palmer offers complete drawing and design services for custom units. (All our standard model specifications and drawings can be found on our website.) A drawing/design fee will be assessed upon evaluation of the project and the requirements of the specifier. Drawings can be provided in PDF or DXF format. Drawings and subsequent signed drawing approvals are mandatory for any projects falling outside our standard product offering (style and configuration). Drawing and design fees are NON-CANCELABLE and NON-REFUNDABLE.
- 11. Ordering Procedure: A Palmer Order Form must be submitted with every custom-size order, Rush order, orders with any options or modifications, and orders including any Palmer shelf. The submittal of the Order Form is mandatory, and will expedite the processing of the order. Incomplete order forms will delay the ordering process.
- 12. <u>Disclaimer:</u> The information contained within this catalog is intended to provide information about products and services available for purchase from Palmer Industries, Inc. ("Palmer"). Palmer washstands are the natural choice for supporting china or porcelain sinks...the perfect marriage.

> Palmer leg systems can be sized to accommodate almost any choice of china sink.

Sizing a stand to properly fit a china sink can be accomplished three ways:

- 1. Choose a china sink from our online database located on our website Resources page at sinklegs.com/sinks. This database represents a current listing of sinks that Palmer has evaluated. Palmer will build the stand to fit the sink exactly.
- 2. Drop-ship the sink directly to Palmer for proper sizing evaluation. Palmer will then take all the appropriate measurements, and determine a washstand size that fits the sink perfectly. Please contact palmer for shipping arrangements.
- 3. Order the washstand larger than required with the intention of cutting the leg system on-site to fit the sink. Note: shelves cannot be field cut.
