

C150 with Crossbar and Sliders

CLASSIC KITCHEN LEG Product Brief

The Classic Leg systems build on the foundational forms of our original Classic Vanity collection. Drawing from a range of time-tested profiles; Tapered Foot, Ball Foot, BunFoot, and Decorative Collar.

Our offering is a flexible solution for kitchen islands and other architectural applications. With details that feel both familiar and enduring, Classic Legs bring subtle ornament and structure to contemporary spaces.

Offered individually - can be configured with crossbars and wall returns to suit almost any countertop need.
