

Model LS2E

### ESSEX Product Brief

Historically, the tapered leg provided a departure from the rigid designs of the common, thick, straight-lined furniture of the past. This graceful and slender shape gently touches the floor in a small, tapered foot. With the decorative ring, top cap, and corner socket all coordinating perfectly, the Essex offers a refined feel for today's finer bathrooms.

### Dimensions

1½" diameter legs tapering to ¾" diameter at the foot with 1" diameter crossbars.

### Customization

Palmer Consoles are completely modular, built to order, and available in any leg configuration.

Sink & faucet not provided by Palmer.

### Finishes

Available in all Palmer finishes.
