

Model LS2P

PROVIDENCE Product Brief

The Providence model: a vanity console featuring a striking square head, turned neck, and mildly tapered legs, seamlessly incorporates stone aprons (a "skirt") concealing the sink basin and hardware below the counter.

The Providence foot incorporates an integrated 3/4" adjustable leveler.

Dimensions

2" square head with 1½" diameter legs tapering to 1" diameter at the foot - Stone Aprons determine width & depth of console.

Customization

Palmer Consoles are completely modular, built to order, and available in any leg configuration.

Counter, aprons, faucet, and sink by others.

Finishes

Available in all Palmer finishes.
